QUALIFICATIONS

- Fellow of the Institute of Actuaries of Australia 1982
- Fellow of the Australian Insurance Institute 1978
- Bachelor of Economics, Australian National University 1974
- Fellow of the Institute of Actuaries, London 1973
- Bachelor of Science (Honours in Pure Mathematics), Sydney University 1966

Graham is a consulting actuary who has had wide experience in superannuation, insurance, both life and general, asset consulting and advice to solicitors. His recent achievements include advising clients on effective pension strategies and, in general insurance, achieving savings through effective claims analysis. He has also worked in senior management for life insurance companies as Appointed Actuary and Assistant General Manager. He has attended Court as an expert witness. He has lectured on general insurance at the University of Technology, Sydney and presented at seminars. He has also worked in other areas such as project management, systems analysis and software development.

Graham is highly proficient in a number of computer software packages including Microsoft Excel and Access and has developed models in pension strategies, earnings projection, insurance claims projection and other areas.

SPECIALIST EXPERTISE

- Actuarial valuations and certificates
